

# Help us Find a Family

## In your Community

- Ask to put posters up in places such as libraries, supermarkets, takeaways, cafes, shops & post offices
- Leave leaflets in places where people stop for a while, such as coffee shops, hairdressers and waiting rooms
- Post leaflets through letterboxes of local houses and flats
- Hand out or leave leaflets at places of worship and at community groups
- Remember to mention your name so we can find out who recommended us

## Family & Friends

- If you take a child to school, tell other parents on the playground about fostering
- Speak to family members and friends about how Foster Carers help so many children and young people in desperate need
- Direct friends & family to Lorimer Fostering for more information
- If you know other Foster Carers, tell them about the great team at Lorimer Fostering!

## Social Media

- Post on Facebook, Twitter & Instagram with information about Lorimer Fostering
- 'Like' the Lorimer Fostering Facebook & Twitter pages and like, share and comment on our posts
- Start or join in with conversations about fostering on forums and groups; direct others to Lorimer Fostering for more information
- Like & follow other fostering related pages on social media and mention or recommend Lorimer Fostering for those seeking more information

## Meetings & Courses

- When you attend courses speak to others about Lorimer and the excellent support that we provide for our Foster Carers
- At conferences relating to fostering, network with other Foster Carers and tell them about Lorimer's child-centred focus
- Attend training and meetings related to caring or fostering and speak to others about Lorimer's great team.
- If you foster for us already, would you be happy to talk to prospective Foster Carers about your role? Let us know!
